Remarks/Arguments

The undersigned wishes to thank the Examiner for the telephone conference of earlier today, August 19, 2005. This Supplementary Amendment is submitted to comply with the request of the Examiner.

During the telephone conference, the Examiner requested that claim 8 be amended to recite that the condition associated with the deposition of β-amyloid is Alzheimer's disease, and that claim 9 be cancelled. In response, claim 8 has been amended as requested and claim 9 has been cancelled.

In view of the action taken, it is believed all pending claims 1-8 are now in condition for allowance.

Favorable action is earnestly solicited.

Respectfully submitted,

By
